

IN YOU TO GIVE: Registrant John Prentice checks in regular donors Al Urwin (85 donations) and John Sadkowski (10 donations) on thursday at the Acton Legion. - Linda Hillman photo

TEA TIME: 18 members of the Hillview Active Living Centre - Acton and their guests met recently to celebrate members with birthdays in November and December. - Submitted photo

Open house registration begins

The Halton Hills Cooperative Program Planning Committee will be hosting a Community Open House on Saturday, February 27, 2016 at the Georgetown Marketplace Mall from 10 a.m. to 4 p.m. and registration is now open for anyone interested in participating.

The overall goal of this event is to highlight the many groups and organizations that provide meaningful services to community members and enhance the community overall. The theme for the event this year is "Leaping into Action in your Community," which will build on the idea of ways in which citizens can work together to develop a strong community by supporting local organizations.

"This event provides a tremendous opportunity for non-profit organizations, sport and recreation groups, social service agencies and groups that serve our residents to showcase them to the Halton Hills community," said Mayor Rick Bonnette. "I encourage all groups to participate."

Registration is now open. Groups are encouraged to register early as space is limited and availability is on a first-come, first-serve basis. In 2014, more than 65 groups were able to promote their initiatives, seek new members and foster relationships with hundreds of residents who attend the event.

For registration information and to obtain a registration package please contact Kate Bradley, Recreation Coordinator – Special Events & Volunteer Services at 905-873-2601 ext. 2273, or kateb@haltonhills.ca for more information.

NOTICE OF PUBLIC INFORMATION CENTRE #3

Class Environmental Assessment Study Trafalgar Road (Regional Road 3) Transportation Corridor Improvements Steeles Avenue (Regional Road 8) to Highway 7, Town of Halton Hills PR-2960A/PR-2961A

The Study

Halton Region is undertaking a Municipal Class Environmental Assessment (Class EA) study to further improve public safety and undertake road improvements along the Trafalgar Road (Regional Road 3) corridor from Steeles Avenue (Regional Road 8) to Highway 7, within the Town of Halton Hills.

To best address road safety and travel demand along Trafalgar Road, a number of road improvement alternatives have been examined as part of this study, including intersection improvements, active transportation and overall traffic operations to 2031. The impact of road improvements on social, cultural, economic and natural environments have been evaluated and assessed during the study.

The Process

The study is being conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (October 2000, amended 2007 and 2011), which is approved under the Ontario Environmental Assessment Act. Previous Public Information Centres (PIC's) were held on November 20, 2014 and June 17, 2015 to obtain public input.

A final Public Information Centre will be held to present the design concepts, evaluation of alternatives and the recommended preliminary preferred design. The final Public Information Centre has been arranged for:

Date: Wednesday, December 2, 2015
Time: Drop-in: 6:30 – 8:30 p.m.
Location: Gordon Alcott Heritage Hall, Mold-Masters SportsPlex, 221 Guelph Street, Georgetown

Comments

If you are unable to attend the Public Information Centre and would like to provide comments, please forward them by Friday, December 18, 2015 to either Project Team member. For more information on this project, please visit the project website at halton.ca/EAprojects.
