Global Pet Foods asks residents to Show Us Your Heart

A little goes a long way to helping thousands of homeless animals and the shelters and pet rescue groups that support them.

From February 12-28, join Global Pet Foods and Michael "Pinball" Clemons to support Global Pet Foods' annual Show Us Your Heart™ fundraiser.

Donate as little as \$1 in-store during Show Us Your Heart™ and Global Pet Foods will match it with another \$1. Purchase a Paper Heart for \$5 and Global Pet Foods will donate \$1, plus give you 10 AIR MILES® Bonus Miles. All funds raised will be donated to local animal shelters and pet rescue groups to provide much needed

shelter, care and treatment for pets in need.

"In the past we have had wonderful support from our loyal customers and local residents," said Acton's Global Pet Foods franchisee Jennifer Everson.

"We hope in 2016 people once again will give from their hearts, helping homeless animals find their forever home."

Global Pet Foods Acton, 8 Main St. N., is showing its heart to Grand River All Breed Rescue. One hundred per cent of the funds raised will go towards covering the cost of care some of Grand River All Breed Rescue's special cases, like Tucker, who requires insulin for

diabetes and Jagger, who is under the care of a specialist for inflammatory bowel disease and allergies.

Community-based pet groups often struggle to raise the funds necessary to keep the lights on and pay vet bills. Even the smallest donation made during Show Us Your Heart can make a big difference to pets in need and the people who are caring for them.

To help rescued pets like Tucker, visit any Global Pet Foods store from Feb. 12-28 to donate. Since its inception, the Show Us Your Heart™ fundraiser has raised over \$1,000,000 to help care for thousands of homeless animals across

Donations dropped at Global Pet Foods in Acton, 8 Main St. N. between Feb. 12-28 will go towards Grand River All Breed Rescue. This organization helps animals like Tucker, above, who requires insulin for diabetes. Submitted photo

... Lend Me Your Ears

DISTRACTIONS WHILE DRIVING

You have probably heard recently, that legislation has been passed that will target drivers using cell phones while operating a motor vehicle. We all know that distractions are a dangerous combination and common part of driving on today's congested roadways. Any way to lessen the number of distractions faced daily would greatly help one to focus on the task at hand, and get on with their day. At the Georgetown Hearing Clinic, we do not condone the use of cell phones while driving, but when absolutely necessary, a hands free device, such as a speaker phone, Onstar™ or a bluetooth connected earpiece can be very useful and help reduce distraction - not to mention allow the driver the use of both hands.

At The Georgetown Hearing Clinic, we provide a wide variety of custom fit and non custom fit bluetooth hands free devices.

The Georgetown  **HEARING CLINIC**
We care about your hearing!
