Barb Smith: "The traffic doesn't always come to a stop at the stop signs. They ignore me when my sign is up, and don't respect me. There are lots of good people who do stop at the stop signs, but lots who don't."

Karen Telford: "People not paying attention to the lights, and the speed could be slower."

"What is your biggest pet peeve with traffic and/or pedestrians?"

Mary Lou McNally: "No one comes to a complete stop at the stop sign. They do everything else but. The sign has even been added to so it's more visible, but people still don't stop."

Kendra Kellas: "Something needs to be done about the trucks. It's too crazy with all the trucks on the main street. It's getting really busy."
