Bella Tan was February's Business of the Month

Bella Tan, located in Georgetown South, was named the Halton Hills Chamber of Commerce Business of the Month for February after receiving a nomination from the local community.

Owner Janice Lemay admits the business name might be a bit of a misnomer since customers can purchase a wide array of items in the store's new boutique related to spending time in sunny and warm climates, such as beachwear, poolwear, skin care products, jewelry, cosmetics, candles and unique gifts.

Each of Bella Tan's tanning specialists is

Smart Tan Certified and can recommend which tanning bed might work best for the client. The Hydration Station steam bath is described as 20 minutes of bliss and leaves the user with super-soft skin.

Bella Tan opened in the Halton Hills Village plaza in September 2008 and Lemay took over the operations in May 2011, recently having established promotional partnerships with SellOffVacations.com and Georgetown's Bao Institute for Healthy Living.
