Smoke, fire on radar of Halton Hills Fire Department

Where there s smoke, there s usually fire.

On Saturday, March 19, at around 7:15 p.m., firefighters responded to the report of smoke in the area on River Dr. On scene, staff cut a chain to gain entry into the building and found smoke in the basement. The fire, which was started by local kids, was extinguished and the kids were turned over to Halton Regional Police.

Later that evening, a little after 11 p.m., firefighters responded to the report of smoke in the area of Trafalgar Rd. and 5 Sideroad. Fire crews were unable to locate the incident and returned to the station.

On Sunday, March 20, at 8 a.m., firefighters responded to the report of a vehicle smoking in the area of Hwy. 7 and 22 Sideroad. On scene, staff were flagged down by two individuals who were standing next to a minivan that was blocking the Hwy. 7 entrance to the gas station. They believed that their vehicle had caught fire. Upon further investigation, it was determined the vehicle was extremely low on coolant and it was overheating. The vehicle owners were then told to seek mechanical assistance.

At 3 p.m., the crew responded to a burn complaint on Fourth Line in Acton. Staff met with the homeowner who did have a valid burn permit and was burning clean wood in a metal burn container, within the parameters of the permit. The homeowner was allowed to continue burning.
