

Buick announces Enclave Sport Touring edition

Buick has announced the 2017 Enclave Sport Touring Edition, the latest addition to the brand's design-focused Sport Touring Edition lineup.

A Satin Black Ice-toned grille and 20-inch chrome-clad wheels with Satin Black Ice accents highlight the Sport Touring.

With timeless exterior design, Buick's signature QuietTuning, and three rows of premium, first-class seating designed to comfortably hold adult passengers, Enclave has helped make Buick one of the industry's most successful SUV brands.

It has remained a strong and consistent seller through eight years of sales and since 2013 has been paired with Buick's small SUV, the Encore, which has since become the brand's best-selling SUV.

The Envision compact SUV also joins Buick's SUV lineup in Canada this summer.

It is available on the Leather and Premium trims. It is offered in three premium exterior colours: White Frost Tricoat, Crimson Red Metallic and Ebony Twilight Metallic.
