March 25 marked a special day for the Town of Halton Hills, when Mayor Rick Bonnette signed a Letter of Intent to establish friendly relations and cooperation with Wenjiang District, located in the Municipality of Chengdu China.

Members of the Halton Hills delegation and representatives from the Province of Ontario witnessed this extraordinary event.

The Letter of Intent between the Town of Halton Hills and Wenjiang will further enhance the existing friendship and facilitate cooperation

on areas of mutual benefit. The opportunities for working together are considerable and range from economic development and investment attraction, to best practices around environmental protection, renewable energy, and the promotion of arts, culture, education, agriculture and tourism. Many of these areas have also been identified as priorities for the Town.

For both parties, this agreement will pave the way for greater trade, improved prosperity and an enhanced quality of life.
