Congratulations!

The Award

In 1973 The Georgetown Lions Club decided that recognition should be given to a citizen who has served his or her community in an outstanding way. The basis of the selection was to be on the recipient's achievements in the recent past or over a period of years, during which this citizen made outstanding contributions towards the community. The committee wishes to acknowledge and thank those Georgetown citizens who wrote to us and made nominations for the Citizen of the Year Award.
