BE CAUTIOUS OF WATERWAYS

The Grand River Conservation Authority is reminding the public to exercise extreme caution around rivers, streams, and bodies of water. Any remaining ice cover will be severely eroded due to rain and thaw, and riverbanks will be icy and wet.

Parents are reminded to keep their children and pets away from water courses. Banks adjacent to rivers and creeks are slippery and when combined with cold fast-moving water poses a serious hazard.

While air temperatures may be well above normal, water temperatures are still just above freezing. Anyone going into the water could fall victim to hypothermia within minutes.

4-H Ontario announces 2016 Youth Ambassadors

4-H Ambassadors: Sadie-Jane, Laura, Vicki, Julie, Logan & Elaine

4-H Ontario has announced the selection of the six new Ambassadors who will represent the organization across the province in 2016.

Vicki Brisson, Laura DeKlein, Logan Emiry, Julie French, Sadie-Jane Hickson and Elaine Jeffs were chosen by a panel of judges at the 4-H Ontario head office in Rockwood. The judging panel comprised a 4-H Ontario volunteer and staff member, as well as a representative of Growmark, Inc., which

sponsors the 4-H Ontario Ambassador program.

The 4-H Ontario Ambassador program provides youth with advanced level training in leadership, citizenship, communications and public relations. Ambassadors put their energy and 4-H experiences to work recruiting new members and sharing the 4-H story. They attend 4-H Ontario events across the province, as well as representing the organization at community events to promote the program.

"The 4-H Ontario Ambassadors are an integral part to the promotion of 4-H to current and potential volunteers, members and stakeholders by representing the program across the province," says Marianne Fallis, Senior Manager, Programming, 4-H Ontario. "This year's new team of Ambassadors will carry on the tradition of exceptional youth who are passionate about sharing the many experiences and opportunities the 4-H Ontario program has to offer."
