Superhero flick fundraiser nets \$2,000 for Food4Kids

A group of about 300 people, consisting of staff, patients and colleagues of Still Waters Dental in Georgetown, attended a private screening of the *Batman vs. Superman: Dawn of Justice* movie in Milton on the morning that it opened to theatres across North America.

Local dentist Dr. Corey Grossman celebrated his birthday that day and thought

it would be a good idea to raise funds for the local branch of Food4Kids to mark the occasion, and through donations, a raffle and 50/50 draw, about \$2,000 was raised.

Georgetown's Business 2 Community (B2C) Group helped with the fundraiser by providing volunteers to co-ordinate the draws and sponsored a number of the raffle prizes.
