BIA REPORT

The Acton BIA would like to invite you to our community meeting to be held on Tuesday, May 17, 7 p.m. at Acton's Town Hall.

This meeting came about as downtown Acton's BIA released information about our recent strategic plan and in it, intentions to revitalize downtown Acton with support from the Town of Halton Hills.

At our AGM in late March, about a dozen interested citizens attended to find out what we were planning. This newspaper also received requests for more information after a recent article.

It is so inspiring to see and hear about people in this community who want to help, who care and want to be involved in the growth and prosperity of its downtown.

We are putting our message out to the community with the intention of spreading our enthusiasm and to obtain input

and involvement as to the future for downtown Acton.

The BIA will present on our new focus and our strategic plan, we will report on the First Impressions Community Exchange done by OMAFRA and Doug Penrice, the Economic Development Officer from the Town of Halton Hills will report on their focus in Acton and marketing of CIP programs. To finish we will host directed breakout sessions offering opportunity for discussion, input and solution gathering from the community.

I am hoping you can be there to contribute towards the upturn of downtown Acton.

Thank you
