

# Host An Event In Support Of Habitat Halton-Mississauga!

You don't have to lift a hammer to help! Hosting an event to help support Habitat for Humanity and their home builds in our community is the perfect way to give back to families in need of a safe, decent and affordable place to call "home".

Whether you decide to plan a golf tournament with your co-workers, throw a party with your friends and neighbours or even set up a lemonade stand, our staff is here to help you along the way. We can even set you up with an online fundraising page to help make donating quick and easy.

With your support, Habitat will be able to build more homes this year than ever before for the families that need it most. To get started, call Nneka Onwualu at 289-983-0587 or nonwualu@habitatm.ca.

Get involved and change the lives of local families living in need. Visit [habitatm.ca](http://habitatm.ca) today for more information.

## Try before you buy!

At Halton Audiometric Centre, we are committed to your hearing healthcare. To find out if hearing aids are right for you, come in for a complimentary assessment and try the latest digital hearing aids risk free!
