

Summer is for grilling and chilling

Amidst the laughter and joy of an outdoor summer barbecue, nothing satisfies hungry guests more than a perfectly grilled and seasoned burger.

On a hot, summer day, who can resist biting into a juicy patty atop a soft, toasted bun, adorned with sweet and savoury condiments as well as the satisfying crunch of a dill pickle?

When looking for crowd-pleasing recipes to serve at your next backyard cookout, impress your guests with either of these dill-icious recipes from Bicks.ca:
