Ninth Line (Regional Road 13) Transportation Corridor Class Environmental Assessment Study from Highway 407 to 10 Side Road (Regional Road 10)
Environmental Study Report, Ward 2 Town of Halton Hills,
Our File: PR-2876A

Study

Halton Region's Municipal Class Environmental Assessment (EA) Study to update the Provincial Policy Statement (PPS) and the Provincial Growth Plan (PGP) for the Region of Halton. The study is being conducted in accordance with the Environmental Assessment Act (EAA) and the Environmental Assessment of Projects Regulation (EAPR) (SOR/2007-207) and the Ontario Environmental Assessment Act (EAA) (R.S.O. 1990, c. O.18).

Process

The Environmental Study Report (ESR) is a key document in the EA process. It provides information on the project, the environment, and the potential impacts of the project. The ESR is used to inform decision-makers and the public about the project and the potential impacts. The ESR is also used to develop the EA report, which is used to make decisions about the project.
