Workshops coming to GDHS for mental health and wellness

Safe Communities Halton Hills is bringing awareness about mental health and wellness amongst our youth with a series of workshops at Georgetown District High School on Tuesday, May 3.

Life Matters will run from 9 a.m. to 2 p.m. that day and will involve approximately 800 students between Grade 7-12

in 28 interactive workshops involving about 100 health professionals, support workers and community presenters.

Two international celebrities will also be on hand for the workshops but organizers said they prefer not to name them ahead of time.
