Horticultural Society's Annual Plant Sale springing up

Several local businesses have generously donated items to the Georgetown Horticultural Society's Annual Plant Sale & Silent Auction, set to take place indoors at the Gellert Recreation Centre on Friday, May 6 from 6-8 p.m.

A wide variety of annuals, perennials, trees, shrubs, specialty plants, hanging baskets and containers will be on sale, along with bags of soil, compost and mulch.

Sheridan Nurseries and Putzer Nursery in Hornby provided the organizers with items to be sold.

It's the GHC's largest fundraiser of the year and proceeds go towards a number of areas, including horticulture-related workshops and seminars for the public in conjunction with the Halton Hills Public Library.
