

PetSmart opens first location here

PetSmart is coming to town and is inviting local residents to join them in cutting the ribbon.

On Saturday, April 30, the store's grand opening at 319 Guelph St. in Georgetown is starting with a ribbon cutting ceremony at 9 a.m. with a special performance by the McCann Pro Plan Dog Stars. Pet parents are encouraged to attend and to bring their four-legged friends to join in!

The first 50 shoppers will receive a mystery gift card (potential value from \$5 up to \$50) and all shoppers will receive free giveaways such as t-shirts, pet treat samples, pet toys and coupons.

SickKids to benefit from Topper's campaign

The number of children from Georgetown who used Hospital for Sick Children (SickKids) services last year was at 1,194 total visits, according to patient statistics. That number includes over 120 emergency visits whereby the family was driving 56 km or were airlifted to access their services.

In an effort to increase funding and awareness among local communities across Ontario, Topper's Pizza has joined with SickKids on a fundraising campaign. Their 2016 goal is set at \$40,000 through online and in store customer donations.

In Georgetown, Topper's Pizza is located at 5 Mountainview Rd. N.

At SickKids, we believe that where you live shouldn't determine if you live, said Wendy

The store's adoption partner, Upper Credit Humane Society, will be onsite with cats and other small animals available for adoption.

The new Georgetown store features more than 14,000 square feet of space, providing pet parents with a broad range of competitively priced pet food and a comprehensive line of pet products. The new store offers useful services such as pet training and adoption services, as well as a full-service grooming salon where dogs and cats receive hands-on care from academy-trained, safety-certified stylists dedicated to making pets look and feel their best.

Dempsey, manager, sponsorship and cause marketing, SickKids Foundation. We're thrilled that so many people are choosing to contribute to Topper's campaign through pizzerias across the province. These donations will be put towards the hospital's highest priority needs allowing us to help more sick children in need of specialized care from four corners of our province.

Karen Trottole, Director of Marketing & Communications for Topper's Pizza Canada, said, "We thank all of our extremely generous customers and we can't wait to share the final results!"

With the campaign in its fourth week, Topper's has already collected over \$21,000 with six weeks left in the campaign.
