Thank you to all our nurses – you are an essential part of our healthcare team!

Are You A Donor?

Did you know there are over 1,600 Canadians waiting to receive lifesaving organ and tissue transplants? Ralton Healthcare works closely with the National Kidney Foundation (NKF) to raise awareness of the importance of organ and tissue donation and encourage donor registration through support of the Let a Nonor campaign. Just one donor has the power to save up to eight lives through organ donation and up to 10 through the gift of tissue donation. Register now through beadonor.ca #campaign@haltonhealthcare.

NKF is a non-profit organization that promotes, plans, and coordinates organ and tissue transplants in Canada. Register today. For more information, please visit beadonor.ca.

A Very McHappy Day!

Dr. Kelly Williams (left) and Dr. Justin Busse (right) serve up some smiles.

A special thanks to Jim and Casey Monnor, the owner* operators of the two participating McDonald's restaurant locations in Ralton Mills for supporting Georgetown Hospital during McHappy Day. The Georgetown Hospital Foundation alongside the Georgetown and Kilton McDonald's restaurants enjoyed a wonderful day of smiles and good cheer during McHappy Day on May 4! The day was a big success, with a fantastic turnout and great community engagement raising \$6,000 for the Georgetown Hospital. Funds will be used to purchase paediatric equipment for the Emergency Department.
