

HDSB asking for parents view on English and French Immersion

Parents and the public can have their say on the direction the Halton District School Board takes on English and French Immersion programming at the elementary level.

The public board has established a special delegation evening for Monday, June 13 to hear responses to its Program Viability report, and recommendations regarding English and French Immersion elementary programming.

The director's report on Program Viability will go to the board of trustees for a decision on June 15.

The report will first be shared, for information and discussion, with trustees at the June 1 board meeting.

Members of the public interested in delegating the board are required to register by Tuesday, June 7 at noon via email to Gail Gortmaker, manager of the director's office, at gortmakerg@hdsb.ca.

Written materials are to be emailed to the same address by noon on Thursday, June 9. Delegates will be listed on the agenda in the order delegation requests are received, and will have five minutes to present their delegation materials.

The delegation evening will be held on Monday, June 13 at the J.W. Singleton Education Centre, 2050 Guelph Line, beginning at 6 p.m. Members of the public can attend.

Special delegation nights follow the same registration process as delegations to a regular board meeting. Delegation information outlined in the board's delegation bylaw and identifies the need for written registration to be a delegate, as well as the submission of materials prior to the delegate's five-minute presentation.

The bylaw can be found at <http://bit.ly/1Y02211>.
