

Local resident gears up for the 2016 Enbridge Ride for Conquer Cancer

By: Linda Hillman

Acton local Scott Malcolm and the extended 'Wheel Crazy' team are set to ride again in the 2016 Enbridge Ride to Conquer Cancer – a two-day cycling event to be held June 11 and 12, and that takes them on a journey of over 200 kilometers through-out Ontario's picturesque countryside, with proceeds benefiting the Princess Margaret Cancer Center.

Teams are expected to raise a minimum of \$2,500 and Scott,

along with teammates Allan Hall, Wendy Gascho, Luke Vandermeer and Tim Jones have exceeded these amounts in previous years. Why do they participate in this event year after year? "All of us have been touched by cancer in some way," said their organizer Louise Malcolm.

If you would like to support Scott and the 'Wheel Crazy' team for their efforts in this worthy cause, you can go to conquercancer.ca's donation section and search for Scott Malcolm.

**Trafalgar Road (Regional Road 3) Transportation Corridor Class Environmental Assessment Study from Steeles Avenue (Regional Road 8) to north of 10 Side Road (Regional Road 10) Environmental Study Report, Ward 2, Town of Halton Hills
Our File: PR-2961A**

**Trafalgar Road (Regional Road 3) Transportation Corridor Class Environmental Assessment Study from north of 10 Side Road (Regional Road 10) to Highway 7, Environmental Study Report, Wards 2 and 3
Town of Halton Hills
Our File: PR-2960A**

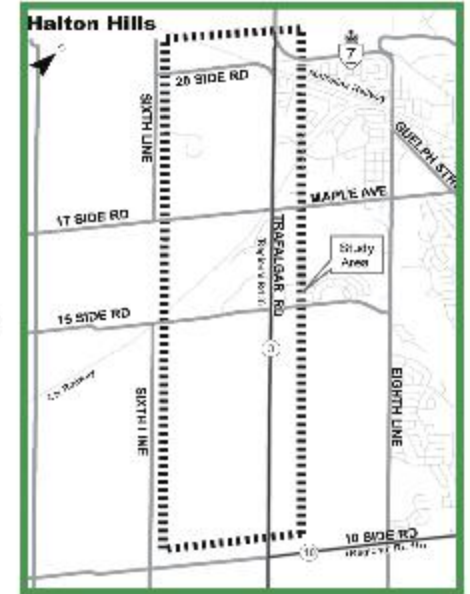

Study

Halton Region has completed a Municipal Class Environmental Assessment (EA) Study to further improve public safety and address future travel demands on the Trafalgar Road (Regional Road 3) corridor from Steeles Avenue (Regional Road 8) to north of 10 Side Road (Regional Road 10), within the Town of Halton Hills. The study has been conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (October 2000, amended 2007 & 2011), which is approved under the Ontario Environmental Assessment Act.

Study

Halton Region has completed a Municipal Class Environmental Assessment (EA) Study to further improve public safety and address future travel demands on the Trafalgar Road (Regional Road 3) corridor from north of 10 Side Road (Regional Road 10) to Highway 7 within the Town of Halton Hills. The study has been conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (October 2000, amended 2007 & 2011), which is approved under the Ontario Environmental Assessment Act.

Process

The Environmental Study Report (ESR) has been prepared to document the planning, public consultation and decision making process undertaken for this study. By this Notice, the ESR is being placed on the public record for a 45-day review period in accordance with the requirements of the Municipal Class EA. Subject to comments received as a result of this Notice and the receipt of necessary approvals, Halton Region intends to proceed with the detailed design and widening of Trafalgar Road as documented in the ESR. The ESR is available for review at the following locations:

We welcome your feedback. **Please provide comments to the Halton Region Project Manager by Monday, July 18, 2016.**
