

# Town calling on province to ban some door-to-door sales

Town council has joined a growing number of communities calling on the province to ban the door-to-door sale of home services.

The ban is aimed at the sale or lease of heating, ventilating and air conditioning (HVAC) equipment, water heaters, water filtration systems and other related home energy products and services by door-to-door sales agents.

Some of the tactics employed by some of these door-to-door sales people are very ag-

gressive and misleading, said Town and Regional Councillor Clark Somerville. The Town continues to receive complaints about some of the unscrupulous tactics employed by some of these people and we need the province to prohibit this type of sales activity.

In supporting the call for a ban, Mayor Rick Bonnette added that anyone could fall prey to misleading door-to-door sales practices with seniors seemingly victimized most often.

# Town: Dogs must be on leashes

With the approach of another summer season, the Town reminds residents to keep their dogs on leash while enjoying public spaces.

Town by-laws require dogs to always be on a leash when in public, except in the designated leash free zones in Prospect Park, Acton and Cedarvale Park, Georgetown.

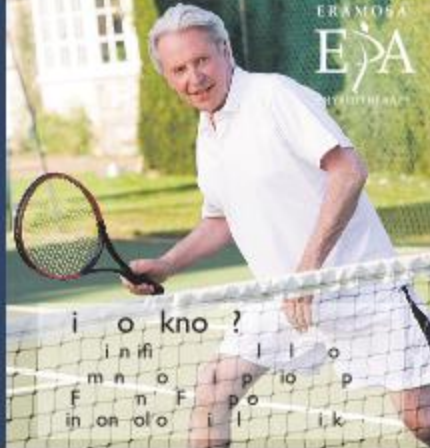

Animals must be kept in the owner's control at all times.

Along with licensing and vaccination of your pet, maintaining control of your pet is key to being a responsible pet owner when in public spaces, such as playgrounds and sports-

fields. For health reasons, animals (leashed or not) are not permitted in water play areas and pet owners are required to stoop and scoop and clean up after their pet. Residents are encouraged to call Halton Hills Canine Control Services at 905-877-6235 to report a dog running off leash, when a stray dog has been found, when a bite occurs or if they suspect an animal has rabies.

Further information on the Responsible Pet Owner's By-law and Canine Control may be found in the Canine Services Section of the Town's website at [www.haltonhills.ca](http://www.haltonhills.ca)
