## COMMUNITY

**RUN FOR THE EARTH:** Volunteer Ryrden Butterfield, runner Teryn Austin, Aleks Spasevski of POWER, event organizer Lili Paradi and runner Rycie Benn were at the Run for the Earth at Prospect Park Sunday. The event was created by students of Halton Hills to promote biodiversity and environmental preservation in the community. For every runner who came out, a tree was planted.

# Funding to our health care system will increase by over \$1 billion this year.

[ontario.ca/bettercare](http://ontario.ca/bettercare)

Investing in new and better ways for all Ontarians to get the care they need means:

- 700 new doctors and specialists
- 35 hospitals currently being renewed, modernized or expanded
- \$250 million invested in home and community care
- \$345 million invested to improve wait times and access to care

These investments ensure a strong health care system for both today and tomorrow.
