CENTRE OF ATTENTION: The Canadian Tire Garden Centre staff at the Guelph St. location in Georgetown has had to wait a little longer than last year for summer-like weather to arrive, but it appears balmy temperatures will arrive in time for the Victoria Day long weekend. Truckloads of fresh flowers, sod, mulch and a wide variety of other gardening products are on sale this week, including four-inch geraniums for \$2.29 and hanging baskets from \$9.99. Annuals, perennials and nursery-raised roses can also be found. Check the back page of this newspaper for Door Crasher specials. Pictured above (from left) are Garden Centre supervisor Alannah Campbell, horticulturalist Joanna Zidner and Courtney Robshaw.
