

# Help shape the future of Halton Hills

Help shape the future of Halton Hills by becoming a Community Sustainability Strategy partner of the Town to help implement our Community Sustainability Strategy.

The vision of the Strategy is supported by four pillars of sustainability: cultural vibrancy, economic prosperity, environmental health, and social well-being. The Strategy envisions Halton Hills with a high quality of life through a long-term vision which reads: "In 2060, the urban and rural communities of Halton Hills balance economic prosperity with a deep commitment to the natural environment, while retaining viable local agriculture and small-town feel, and being socially equitable, culturally vibrant and strongly connected."

Our Community Sustainability Strategy is Town-led and community-owned. The community is an active partner in the Strategy's implementation. Partnerships between the Town and the community will ensure long-lasting results.

"It is rewarding to see the number of Community Sustainability Strategy Partners continue to grow to help shape the future of our community. I encourage everyone to take action by becoming a Community Sustainability Partner and by making our community vision a reality. I would like to extend a warm welcome to our most recent partners."

Whether you are an individual or an organization, community group or business interested in sports and recreation; social services;

arts, culture and heritage; economic development; economic and community planning matters; the health of our natural environment or anything in between, the Town encourages everyone to join as a Community Sustainability Strategy Partner.

There are two partnership levels – Ambassador and Champion. There are no costs associated with becoming a Sustainability Ambassador or a Sustainability Champion. Partners at either level enter into a simple agreement with the Town to support, lead and/or engage in sustainability initiatives. Partners will benefit by receiving promotional opportunities and an attractive decal to promote their partnership with the Town, among other benefits.

# HILLSVIEW REPORT

By: Julie Conroy

**CHAIR VOLLEYBALL:** Members of Acton's Hillsview Active Living Centre enjoyed playing chair volleyball recently. - Submitted photo

The Centre will be closed on Friday, July 1 when we celebrate Canada Day.

Over 50 people enjoyed the picnic lunch to celebrate Senior's month on Friday, June 17. We enjoyed sliders (mini hamburgers) and homemade salads provided by the Centre's board members and staff. To complete the meal we had gourmet cupcakes. Luckily those playing Pickle ball or chair volley ball played before lunch. It was a great day. Thinking of Seniors Month, did you enjoy reading about Dave and Joan Maloney? I hope you found it interesting. I am

looking forward to next June when we showcase another interesting senior.

Thursday, June 30 will be the last day for Social Dancing. They will take a break for the summer and start again in September.

The mens breakfast is on Tuesday, June 28. This month the guest speaker is Brent Marshall. This is the last breakfast until fall.

On Wednesday, July 13 you can enjoy visiting Norval for the *Garden of the Senses* when you will have the opportunity to explore your five senses of scent, sight, sound, taste and touch as you explore the garden up close. Do you find bending down to

garden difficult? You will be able to get your hands dirty when you plant at a table under a beautiful gazebo. Each participant will take home a plant. Light refreshments will be served. This program is limited to 12 participants and transportation is not provided. Sign-up is at the reception desk.

Frances Hogenbirk and Cathy Forbes had the only mooners on June 16 while playing Bid euchre.

Do you have visitors over the summer and wondering what to do to keep them entertained? There will be evening Euchre on Wednesday, July 6 starting at 7 p.m. and our next evening Bingo will be on Saturday, July 16 at 7 p.m. 26 people enjoyed sitting in the air conditioned community room and having fun playing Bingo on Saturday, June 18. Some even went home with a little more money in their pockets.

There will be no Friday lunch on July 1 (Canada Day) as the Centre will be closed.

The name drawn on Friday afternoon for the weekly 50/50 draw had not put her loonie in the box, so next week the prize money should be around \$500.
