

WORD ON THE STREET

with Dawn Brown

“Ontario Premier Kathleen Wynne is taking credit for revamping the Canada Pension Program because of now scrapped plans for an Ontario Pension Plan. Do you agree she’s responsible for the CPP deal?”

Sy Rouse: No way. She’s responsible for all the money she spent trying to get it started.

Margaret MacLellan: She has to be responsible for something.

Wayne Archer: Yes. I think she’s really the only one I’ve seen talk about it. Plus I think it’s a good idea.

Debbie Luck: Yeah, definitely part it. She made people aware. Our seniors aren’t getting enough money, they’re just not. I think so.
