Dentistry on Sinclair

Dr. Denis Beauchesne, Dr. Michael Hutter and Dr. Anna Primus

Dentistry on Sinclair has been proudly serving Georgetown and surrounding area families for over 35 years and together our 3 dentists bring you over 59 years of experience. Dr. Beauchesne, Dr. Hutter and Dr. Primus feel fortunate to work in such a great community alongside their fantastic team of devoted dental professionals. Our team, including our very own periodontist, provides comprehensive oral health care including restorative, cosmetic, pediatric, periodontal, surgical and preventative dentistry. With a strong emphasis on preventative dentistry it is our goal to ensure that you are provided with the knowledge and the tools to maintain excellent oral health from childhood through adulthood. We invite you to stop by our office for a tour and to meet our great team. We look forward to providing you with excellence in dentistry in an honest and caring environment.

North Halton Better Hearing

Hearing Instrument Specialist & Owner of North Halton Better Hearing Centre has been opened since March 1, 2016.

This hearing clinic helps people find solutions to their hearing problems, whether hearing loss, tinnitus (ringing or buzzing in the ear) and solutions for preserving hearing custom ear plugs for noisy work or social environments. Hearing testing, evaluations and aid sales are all part of their business as well as providing solutions to listening problems in different environments.

Susan likes getting to know her clients and the relationships that they build. Adapting to hearing aids and hearing better can take a bit of time and patience and she is available to help people make that transition with knowledge and understanding! On a personal note, Susan has hearing loss and wears hearing aids which helps her understand the challenges and concerns of those who want to hear better. She has a Hearing Instrument Specialist Diploma from Grant MacEwan University.

They welcome any new patients, so come on in!

Retreats Inc.

If you're looking for a general contractor who offers high quality home and office renovations, project management and design build services, then contact Greg Moffatt of Retreats Inc.

Greg has been a licensed carpenter since 1992. He chose this line of work because he loves the building industry, and enjoys working collaboratively with other team members and clients to make each project a success. The Retreats team is continually attending regular training for new techniques, practices and products to ensure that they are up-to-date for their customers. The company has been in business for 12 years, and has four fully licensed carpenters, and a registered 2nd term apprentice. They are members of BILD (Building Industry & Land Development Ass.), as well as the GTA Home Builders Association, Ontario Homebuilders Association and proud supporters of Habitat for Humanity.

Halton Hills small town atmosphere is a great place to work and live, says Greg, and we are proud to be offering renovations, additions, and new homes in this marketplace. We always enjoy meeting new people and working together with them to make their vision become a reality!

Menchie's

Menchie's Frozen Yogurt has been opened since July 2014 and owner Natalie Moffatt has enjoyed meeting so many people that come through her doors every day.

They offer self-serve frozen yogurt and have over 150 different flavours that are continuously being rotated. They aim to provide quality, variety and innovation for every guest and with so many different flavours and toppings that is not a problem! They use high quality ingredients, milk from Canadian Dairies, which make it a good source of calcium, but they do also offer gluten-free, vegan and No high-fructose corn syrup options. Their yogurt is certified Kosher and awarded the live and active culture seal by the National Yogurt Association. They also serve a variety of smoothies and ready to go/made to order cakes for birthdays, anniversaries, team parties, graduations or holidays.

Natalie is a Georgetown resident who enjoys being able to give back to the community and throughout the year, she has been able to support the local hockey, soccer and baseball teams, schools and fundraised for various charities.

If you haven't had a chance to stop in, make sure you do as you won't be disappointed!
