

Jane Myhal

Links by Jane Handcrafted Jewelry

There is no better feeling for Jane than seeing someone wearing one of her jewellery creations at her latest craft show that had been purchased at a previous show!

Owner and designer Jane Myhal of Links By Jane has been creating unique jewellery since 2013 and loves working in Halton Hills because it is such a special community. To keep herself current, she takes Business Management at Ryerson University as well as jewellery-making at George Brown College.

Silver-plated, brass components, findings, chains, faceted Swarovski crystals, pearls and boldly coloured natural stone cabochons are what help Jane shape, design and make her unique jewellery. Pliers, cement and various metal files help develop her pieces into wearable and unique art all at her kitchen table where the lighting is perfect.

Since she was very young, she draws inspiration from her Mom who wore exquisite statement pieces, either a ring or large pendant around her neck, always something that stood out. She now feels blessed because her daughter Jessica helps her with her craft shows and loves spending this time with her.

For more information on her creations and her next craft show, visit her website.

TONY & HEIKE CIUFO

Halton Hills Sewing & Vacuum

Halton Hills Sewing and Vacuum Services has been helping customers in Georgetown and beyond since 1975.

The wealth of knowledge that the owners- the husband and wife team of Heike and Tony Ciuffo- have gained from their 40 years in the industry is evident and has helped ensure their store has grown and been able to compete with the 'big box' competition.

"Customers come to us knowing that they will receive friendly service from extremely knowledgeable staff," says Tony. "We know our products inside and out and we are available to help a customer choose the best unit to suit their needs."

Carrying a large selection of Baby Lock sewing machines and vacuums by Beam, Panasonic, Kärcher and Electrolux, to name just a few, they are sure to have what you need at a competitive price.

Halton Hills Sewing and Vacuum offers sales, service, parts, installation of central vacuum systems as well as a full supply of sewing notions.

"We pride ourselves on excellent service and supporting our customers with warranties, care and advice," says Heike. Raised in Georgetown she says "It's amazing the relationships we have developed with our customers over the years. Friendly customers and our commitment to the community are what make working and living here so enjoyable."

FATHER CULL

Holy Cross Catholic Parish

I have served as Pastor of Holy Cross Catholic Parish for 3 years.

We are a Catholic community that gathers to worship God and live out our faith by service to others.

I enjoy many aspects of parish life but especially gathering the people to celebrate our faith each weekend.

Halton Hills is a friendly and welcoming community. I particularly enjoy the outdoors and the many trails that are available.

I chose to enter the priesthood in response to God's call, a call that was nurtured by a loving and supportive family and one that continues to be affirmed by the wonderful examples of faithfulness of so many in this community.

I had the opportunity for further studies in Rome where I lived for 2 years and learned the Italian language.

PETER & SUE MARROWS

Ann's Cartage Home, Office & Piano Movers Inc.

Ann's Cartage Home, Office, & Piano Movers Inc. was established in 1968 and has been serving all of Ontario as a successful local and long distance moving company ever since. Sole owner and operator, Peter Marrows started working for the company as a student and in 1988 went on to purchase the company outright. Growing up in Halton Hills for most of his life, Marrows has become well known and respected among the community.

"We take great pride in our work and meeting our customer's needs" says Marrows. "It's the little extras that people appreciate, and we do our best to relieve some of the stress that moving inevitably brings."

Ann's Cartage does internal moves as well as moving the contents from your home, condominium, apartment, or office to anywhere in Ontario. All the trucks and staff are dispatched out of Halton Hills and no job is too big or too small.

This well established company is licensed and insured, and all staff are uniformed, trained, and bonded. In business for almost 50 years, Ann's Cartage is a successful, family owned and operated business that has earned the reputation of going the extra mile to meet the needs of its ever growing community.

Dr. Robert Hirst and Dr. Kevin Street

GEORGETOWN DENTAL CLINIC

Georgetown Dental Clinic has been providing quality dental care since 1986. Drs. Robert Hirst and Brian Markham founded the clinic and where partner together until Brian retired in 2007.

Dr. Hirst moved to Georgetown shortly after the clinic opened and continues to live here with his wife and three boys. He is very active in the community and will continue for years to come.

Dr. Hirst has been committed to our community for many years. You will see his name along with the GDC logo on many local sports teams. He also contributes to various charity events.

The goal of our Clinic is to provide the highest technical dental procedures to our clients. We strive to treat even the most apprehensive of patients with high levels of asleep dentistry.

Dr. Kevin Street was raised in the area and joined Dr. Hirst in 2011 after graduating from U of T Dental School. Kevin attended Lynn University in the United States on a soccer scholarship and won an NCAA championship. He continues to be very active in sports and hopes to bring his experience to the local level.

You will recognize many of our staff as local members of our community. Several members of our team have been with us for over 20 years and we continue to grow with new staff.

We continue to welcome new patients and very much appreciate the support of all of our clients. We pride ourselves on referrals from existing patients and continue to believe that Word of Mouth is the highest compliment.
