St. Andrew's United Church holds Spring Fest auction

St. Andrew's United Church held its Spring Fest Community Auction in April and annually donates a portion of the revenues to a different community project each year.

This year, the recipient was Cancer Assistance Services Halton Hills (CASHh) since so many people in the church and community need and use the services offered

by CASHh. Part of the proceeds from ticket sales and the snack bar were given to the St. Andrew's Youth Group to support their programs. However, they wanted also to give back to the community and donated \$500 to CASHh. Another \$4,500 was donated to CASHh from the proceeds from the auction.
