Motorcyclist injured in Georgetown crash

A motorcyclist was transported to Georgetown Hospital with non-life-threatening injuries following a collision with a pickup truck at around noon Tuesday.

Delrex Blvd. was closed eastbound at Guelph St. for about an hour as Halton EMS attended to the crash victim. An off-duty nurse initially administered care to

the rider.

Traffic on Guelph St. was not affected. The motorcycle was badly damaged and the black Dodge Ram pickup truck sustained damage to its passenger side.

A Halton Regional Police officer on scene said the collision was still under investigation and that no charges had been laid.
