**Plein Air** artist Ylli Haruni has been visiting various locations around Halton Hills recently, capturing scenes with his bold brush strokes, applying colourful oils to canvas, as his original artwork and local impressions, such as the one above on Guelph St., will be on display at the Art Effects Gallery in August.

## Albanian artist holding meet and greet tonight

The artwork of Albania native Ylli Haruni will be on display at the Art Effects Gallery in Georgetown through the month of August and he'll host a meet and greet in the studio on Thursday, July 28 from 7-9 p.m.

Haruni, a graduate of the Fine Arts of Tirana, has shown his work at the National Art Gallery of Albania and at many

shows throughout North America.

A few Georgetown and Glen Williams residents have likely seen Haruni set up his easel at various locales.

As well as his recently completed local art, Haruni will display portraits, still life and European scenes.

Art Effects is located in the Knolcrest Centre at 360 Guelph St.
