Second Anniversary
August 3, 2016
Alexina "Zena" McGhee

I often lie awake at night when others are asleep,
I walk down memory lane with tears upon my cheeks,
No one knows the heartache, I try so hard to hide,
Some people say as time goes by the heartache will subside.

But the feelings in my heart today, are the same as the day you died,
It broke my heart to lose you, you're parting caused such pain,
But the greatest day has yet to come,
When we will meet again.

"A Luv you - and I you"

37 years ago you were taken from us. That day is etched in our hearts and thoughts forever.

Out on a island, carved in a rock
Three little words "forget me not".
Jo-Anne Davies

We think of you both every single day. We will miss and love you always.
