

Police looking for vehicle in Georgetown hit-and-run

Halton Regional Police are continuing to investigate a fail-to-remain collision near Georgetown Hospital Saturday evening.

At approximately 9 p.m., officers responded to a hit-and-run complaint involving a parked Volkswagen Jetta on Princess Anne Dr. just east of Trafalgar Rd.

The owner of the Jetta

was not at home at the time of the incident. A neighbour heard the loud noise, but the vehicle suspected of being involved in the collision had left before he could see what caused extensive damage to the rear driver side of the Volkswagen.

Investigators determined that the suspect vehicle had been traveling westbound at

the time of the collision and believe that debris recovered from the scene belong to a maroon-coloured Kia SUV.

Police searched the surrounding area and visited Georgetown Hospital to see if anyone had been treated for injuries with negative results.

Anyone with information is asked to call Const. Weatherill at 905-878-5511 ext. 2105.
