HAPPY BIRTHDAY LOGAN

A GREAT BIRTHDAY PARTY: In last week's issue of the Independent and Free Press, Georgetown mom Misty Strickland talked about the wonderful community she lives in after local people and businesses donated their time and resources to her son Logan's birthday party, who recently turned seven. Logan suffers from severe ADHD and ODD and is unable to make and/or maintain friendships. Above: Logan Strickland, enjoying his pool party, with Eric Bostjancic in the goggles. Left, mom Misty, holding Logans sister, Ireland.
