**Local dancers qualify  
for World Dance  
Championship**

Several local dancers auditioned and have made it to the largest and most prestigious dance competition The World Dance Championships, which will be held in Wetzlar, Germany.

The International Dance Organization has over 250,000 member dancers from six continents. This exciting World Championship format is Olympic Style with only one Gold, Silver and Bronze being presented on the podium with the World Champions National Anthem being played as the top three medalist flags are raised.

Team Canada Dance National Director Bonnie Dyer states that Canada has been quite successful in all dance disciplines at the World Championships and this is mainly due to the high standard of training that local studios offer. She also states It is also great to see the best of the best in Canada that come from various studios all working together as one team with one goal: and that is to represent Canada.

Selected to represent Canada are Kyra Hiltz and Vanessa Pergotski, both of Halton Hills. They both have extensive dance training including previously dancing at Strictly Dance and currently with The Dance Class.
