### CURE FOR DEPRESSION.

Depression can be very devastating to an individual and a family. There are various medications to suppress the symptoms of depression, but they do not cure the ailment. Some medications have warnings indicating adverse effects of the drugs which include the risk of suicide. Depression is a spiritual or demonic attack which you can overcome by creating the right atmosphere for the manifestation of the power of God through the knowledge of Jesus Christ and the Holy Spirit. King Saul was depressed but every time David played the harp, the spirit troubling Saul departed, and he was relieved (1 Samuel 16 verse 23). You can only find peace and joy with Jesus. John 14 verse 27, Psalm 16 verse 11 are Bible verses you need to know. These verses can only work for you when you accept Jesus as your Lord and Saviour. I trust you have been blessed by this message. I pray the Lord give you peace and gladness of heart in Jesus name, amen. Should you have any question or comments please feel free to contact us at the address below and we also invite you to worship with us. Thank you and God bless you, amen.
