Halton Hills Business of the Month: Hassell Automotive

The Halton Hills Chamber of Commerce's business of the month for August is Hassell Automotive on Mountainview Rd. in Georgetown.

Proprietor Dave Hassell was a mechanic for a Nissan dealership in Brampton in 1984 when a friend suggested that there was a demand for an automotive service garage in Georgetown.

Having just turned 60 this year, Hassell estimates he's built a clientele of approximately 4,000 regular customers and sold more

than 11,000 pre-owned vehicles during his 32 years in business here.

As well as offering full-service automotive care, Hassell visits auctions in Milton, Brampton and Kitchener each week, perusing through thousands of vehicles to find fits for the many customer specifications he's asked to fulfill.

This summer, Hassell Automotive, which has seven full-time employees, entered a partnership with neighbour and worldwide parts supplier NAPA Auto Pro.
