Hills of Erin Studio Tour welcomes guests over two weekends

The Hills of Erin art show features art and artists like you have never seen before!

With a total of 19 participating artists, including the introduction of 10 new artists, this award-winning studio tour features a wide selection of exquisite works showcased in 10 locations throughout the Town of Erin.

The 28th-annual Studio Tour opens its doors for the first of two weekends beginning Sept. 17-18 and the following weekend, Sept. 24-25, 10 a.m.-5 p.m. daily.

This year Hills of Erin Studio Tour is excited to introduce, for the first time on the

tour, live artist demonstrations.

This is real art, created in real time, by real artists right in front of your eyes! Discover the passion, trials and adaptations the creative mind experiences in the making of that piece of work you just have to take home.

The entire line up of artists demo s dates and times will be posted online so please be sure to check so you don t miss out!

Make your fall as real as possible and come enjoy our free, self-directed, Hills of Erin Studio Tour this fall!
