Books donated to Acton Library by FCM members

Municipal leaders from across the country brought some gifts with them last week to the board meeting hosted by Halton Region for the Federation of Canadian Municipalities. Approximately 50 children's books written by authors from the communities of FCM members worth \$700 were donated to the Acton branch of the Halton Hills Public Library as part of the *Canada by the Books* initiative. What better gift can we give than the gift of reading a great Canadian book, said Clark Somerville, FCM President.
