BRANCH No. 197 **LEGION NEWS**
By Sharon Graham P.R.O.

Well it was a bit warmer out there this past week. As you saw on Saturday we did have a lot of snow and they say more to come this week.

On behalf of the Branch, we would like to send our condolences to the Wedge family on the passing of Henry, a World War Two veteran. Your thoughts and prayers are in our hearts.

The winter shoes were a great success as always. The weather was warmer this year and we had 48 players out to have a good time. Keith would like to thank everyone for their food donation. The winners are: third place - Jim Porter, and Tim Briggs, second place - Jon Uiterwyk and Michelle Cleave, and first place - Gary Dance and Glen Wilkinson. A special thank you to Keith Andrews for organizing the winter horseshoes. This is his seventh year – way to go and many more to come.

Just one more week and we have entertainment in the main hall from 9 p.m. until 1 a.m., with *Bad Weather*. Everyone is welcome so bring your friends and your dancing shoes. This is also the ladies appreciation night as well. It is always a good time with the ladies and afterwards dancing the night away.

Mark your calendars for February 16 – the Zone winter social that will be held this year at Branch 120 Georgetown. The theme is Winter Olympics so dress up in your best costume to win a prize.

WINTER SHOES: Gary Dance and Glen Wilkinson captured first place in the winter shoes tournament at the Legion on Sunday. Forty-eight players enjoyed the fun with third place going to Jim Porter and Tim Briggs, and second place to Jon Uiterwyk and Michelle Cleave. – Sharon Graham photo

There will be a blood donor clinic on February 20 from 5 to 8 p.m., in the main hall. As you know, blood is always needed at any time of the year. If you can help out the Red Cross, just give a pint of blood and it would be appreciated.

February 23 is our family fun day and everyone is welcome. There will be games and snowmobile rides, if the ice is frozen. This day is always a lot of fun for the whole family so come out and enjoy. If you can help out on this day please leave a message for Julie Carney. Thank you

Our #1 tip for a great retirement plan: have one.

You First. Money Second.

Want to retire at 50? Lay on the beach, or ski the slopes?
As your local financial service provider, we'll create a custom plan to help you get there.
