IN MEMORIAM

In loving memory of a dear sister
Joan Brown
December 31, 1941
- March 19, 2013

*If remembering brings you closer
Then you never went away
For our thoughts of you are with us
Each and every day.
There will always be a heartache
And many silent tears
But precious are the memories
Of the days when you were here.*

Lovingly remembered and sadly missed by your family,
Rose Farnsworth (Vince),
Ronna Taylor, Sue Bosch (Roy),
Barry Brooks (Lorna)
and nieces and nephews

In memory of my husband
Keith Green

*It was that unfaithful day
When death came like a thief
and took you way
From me.
I am too shocked and have still
not recovered from the shock
Of you not being there with me
For me you are still alive, but
living elsewhere
May this thought of mine come
true
And may you come to me
I miss you very much and miss
you everyday.*

*It's been a year now and there's
a void in my heart
A lonely heart filled with pain
That nothing can fill it up again
I cry from time to time
And remember all those lovely
days
That we spent together in
happiness
With it's ups and downs in life
I had never given up on you
when you were ill
I stood by your side and waited
for you to come
Home back to me
Your pain was too great for you
to bear and
You went to a better place where
there is no pain.*

Though absent you are always near
Still loved, still missed still very
dear.
Lovingly remembered by your
wife
Sheri

Test your St. Patrick's Day savvy

Each March 17th, people the world over slip into something green, take in a neighbourhood parade and enjoy St. Patrick's Day festivities. A day to honour Ireland's patron saint, St. Patrick's Day is ripe with traditions and history, much of which is largely unknown to the celebrating masses.

Here's some St. Patrick's Day trivia:

1. St. Patrick was not Irish. He was born in Britain to an aristocratic family. His early life was not particularly religious, but he had a religious conversion in his teenage years.
2. The largest St. Patrick's Day Parade is not held in Ireland. That honour belongs to New York City, where the annual St. Patrick's Day Parade draws more than a million spectators each year.
3. Thirteen million pints of Guinness are consumed on St. Patrick's Day. That's double the amount consumed on other days.
4. Although many people wear some form of green in honour of St. Patrick's Day, green was once considered an unlucky color in Ireland.
5. The city of Chicago really gets into the festivities, going so far as to dye the Chicago River green, which the city has been doing since 1962.

6. Evidence suggests there never were any actual snakes for St. Patrick to drive out of Ireland. It stands to reason snakes were a metaphor for the evil of paganism.
7. St. Patrick was not the first person to bring Christianity to Ireland, as monasteries had been built long before St. Patrick's arrival.
8. In Ireland, St. Patrick's Day has traditionally been a religious occasion. Until the 1970s, many stores and pubs were closed. Laws were changed in 1995.
9. St. Patrick's Day is a national holiday in the Caribbean nation of Montserrat.
10. The city of Montreal, Canada, uses a shamrock in its city flag.
