# LETTERS

## Inconsiderate driver

To the Editor,  
*This letter was shared with The New Tanner*  
To the lady who was driving on Wallace at 3:30 p.m., on March 31 near the GO station in a burgundy four-door Neon.  
I would like to thank you for splashing my husband, myself and our seven-month old son as you drove by us. Not sure how you could have not seen the two rather large puddles that you drove right through – you did not even try to go around them and there was no oncoming traffic.

My husband was wearing a bright orange golf shirt and I, a checkered jacket, pushing a stroller. We yelled at the back of your car as did two other pedestrians, yet you continued on your way as we wiped mucky water off our son's face.

You are an inconsiderate driver who needs to be aware of your surroundings. Thanks for the lovely sunny walk with our child that turned into a mud bath.

Regards,  
Stephanie Wilson  
Acton, ON

## Inconsiderate dog owners

To the Editor,  
I visited the Acton Leash-Free Park yesterday afternoon, only to be extremely disheartened at its current state. There is dog poop EVERYWHERE in that park.

Why aren't owners picking up after their dogs? The laziness of a few are ruining a beautiful park area where our dogs can socialize and enjoy being off a leash.

I struggled to find a path I could walk in that

wasn't puddles (of course it's Spring and I knew it would be muddy and wet), but found it quite difficult to avoid stepping in dog poop. My dog had to be washed a few times once we arrived home, as he must have had the same issue with avoiding the piles.

Please owners – you must clean up after their dogs in the park as it is a privilege we have that space.

Thank you,  
Jenn Leferink
