

HILLSVIEW

Active Living Centre

Halton Hills • Acton

By Julie Conroy

The Centre will be closed for Victoria Day on Monday, May 19.

When I arrived last Friday morning, the hiking group were gathering ready for their hike to St. Helena Road to start walking on the Bruce Trail. Hiking has been a little challenging this year following the ice storm. The various Bruce Trail groups are busy with their chain saws clearing the fallen trees and brush.

On Thursday, May 8, 18 people went to St. Jacobs Market, and although the forecast was for rain, luckily, it held off. We came home loaded up with fresh vegetables, plants, cheese, bacon, and even a large stone goose. We then proceeded to Crossroads for lunch and a quick stop at Picard's for peanuts. Everyone enjoyed the day, and look forward to going again. Next time, we will try and allow time in the village as well.

I was talking to Wendy

Krever on Friday and she told me the renovations at our "old home" were coming along on schedule. They are working on our new entrance way, which will have sliding doors. We will have a larger kitchen, and new coat room, reception and lounge area. We hope to be back sometime in June.

Work has now finished on the new ramp to the Boathouse, which makes it easily accessible from both entrances. The work could not start until

the ground thawed and the weather cooperated. Once they have finished the deck running around the lake side of the property, we will be able to sit outside and enjoy a coffee.

Tuesday, May 20 is the Birthday Tea, celebrating anyone who was born in

May. You will get a call a few days before the day, inviting you and a guest to the tea.

At Bid Euchre last Thursday, Betty Brewer and Ruth Burke both had one mooner.

Lunch on Friday, May 23 will be everyone's

favourite, Swiss Chalet chicken. We have 32 spaces available and ask that you pay for the lunch when you write your name on the sheet. We have to pay for all meals ordered. Cut-off date is Thursday, May 22. I know the list will fill up quickly.
