

Bungee cord bridge repair

The following was submitted by Crewsons Corner resident Nan Braamse

A bungee cord is being used to repair part of the rail underpass at the Eramosa-Erin Town Line, also known as Crewson Corners, at the junction of Halton, Erin, Eramosa and Milton.

The damaged side straps and rails at the underpass are evident and are held on with a bungee cord. There is lots of train activity on this line, and considering the number of derailments and safety issues in the news in the past year, you would think perhaps this should be repaired. But,

whose responsibility is it? Who should be notifying the Rail company to repair it?

Last week, the rails were repaired, but only the actual tracks were done. Doesn't anyone think that the side strapping and side railing are necessary and also need to be fixed?

Also, the road right under the overpass (which we were told is Halton jurisdiction) is in a horrible state and has not been properly repaired in many years. They put a scoop of tar in the holes

BUNGEE CORD REPAIRS: A Crewson Corner resident is unhappy with the repairs done to this rail underpass off Highway 7 at the junction of Halton, Erin, Eramosa and Milton. - Submitted photo

and pat it down with the shovel... lasts about two to four weeks and the holes are back.

The alternate road going over the tracks is in as bad shape with pot holes, etc., because of all the huge trucks that use it.

Recently, a roads manager assured us the repairs would be done properly and more professionally in the following week. Instead, we got the same old scoops of tar and shovel pats... good for another two to four weeks.

What happened to repairs being done properly, professionally with quality workmanship?

BRANCH No. 197  **LEGION NEWS**
By Sharon Graham P.R.O.

Comrades,

On behalf of the Branch we would like to thank Tammy Whyte, Chris Blake and Michelle Cleave for a great job planting flowers and making the gardens look so good. The red and white flowers add nice colour to the outside. The bushes are all trimmed and everything really looks good. Their hard work is appreciated.

The parking lot has been redone and we appreciate the efforts of our maintenance chair, Pat Graham, in making sure the job was completed. It certainly adds to the appearance of the outside of the Branch.

Just a reminder that horseshoes have started and are thrown on Tuesday, Thursday and Saturday afternoons. During the week, horse-

shoes starts at 6:30 p.m., and go till dusk. On Saturday, they start at 2, in the afternoon. If you would like to play, come out and join in. It is a lot of fun.

This Sunday is Decoration Day at Fairview Cemetery. The time to meet is 9 a.m. We hope to get as many members as possible to plant geraniums on our Veterans' graves. All you need is a little shovel to dig the holes. We hope to see you there.

Our member's potluck dinner and dance is June 28. Bring your favourite dish. Dinner will be at 6:30 p.m., with dancing to follow at 8 p.m. with Bob and Sue Rogelj in the games room. We will put the food out in the Ladies Lounge so please come and enjoy and get to know some of the other members.

On July 5, we are having a member's steak dinner at 6 p.m. The cost is \$15 for steak, baked potato, corn on the cob and salad. After dinner, there is an evening of entertainment on the patio with Brett Baker. If it is raining, it will be held in the games room. Everyone is welcome to the dance. It should be a great evening.

The next general meeting is on June 9 at 8 p.m., sharp.
