Seed House Garden wins bulbs to celebrate Canada's 150th

The Friends of the Old Seed House Garden in Georgetown are the lucky recipients of one of 150 150th Celebration Gardens being distributed across Canada in celebration of Canada's sesquicentennial in 2017.

Containing 1,000 tulip bulbs, the international symbol of friendship and an enduring symbol of our national ethos of kindness and hospitality.

We feel very fortunate to have received one of these gardens, said Sue Balogh, co-chair of the volunteer group. We understand that the Cana-

dian Garden Council, the organization behind the 150th Celebration Garden program, received more than 400 applications. The garden, consisting of 500 red and 500 white tulip bulbs, generously donated by Vesey's Bulbs of Prince Edward Island, will be planted on Sunday, Oct. 16 at 9 a.m. in the formal garden in front of the gazebo at Dominion Gardens.

Everyone is invited to attend the planting ceremony as the community makes preparations to celebrate Canada's 150th birthday next year.
