Summer Waste Diversion Tips

When hosting a summer barbeque, using reusable cups is always best. If you chose to use disposable cups, purchase cups that can be recycled or composted.

Blue Box

- Clear plastic cups
- Coloured plastic cups

GreenCart

- Paper cups

Garbage

- Styrofoam cups
- Corn-based "compostable" plastic cups
- PLA Plastic cups

Please do NOT stack plastic cups in the Blue Box or paper cups in the GreenCart—stacking makes the cups too difficult to process.
