New faces and changes at local schools

By Lisa-Dawn McKenzie

McKenzie-Smith Bennett

Welcome to Maryann Nargi to the vice-principal role for September 2014. Ms. Nargi joins the administrative team along with Lisa Serebrin (principal) and Kim Phillips (vice principal). Other new staff at MSB are: junior teachers - Ms. Emily Atkinson

and Ms. Erin McConnell; intermediate teachers - Mr. Brendan Lodos; Ms. Aman Dhaliwal and Mr. Bryan Carmichael; Ms. Shawnda Elliott - primary SERT role. Ms. Rozlyn Burns returns to a primary planning role. Mr Stephen Barnes to the custodial staff.

The north end of the school has been given a new roof. Various classrooms and hallways have

been painted and new washrooms are being constructed in the pool area. The custodial staff has also worked hard this summer. There is new furniture in many of our classrooms, along with new numeracy resources, technology and literacy resources.

New Principal at Robert Little PS

Patricia Tapp takes the helm at Robert Little. She reports the major change

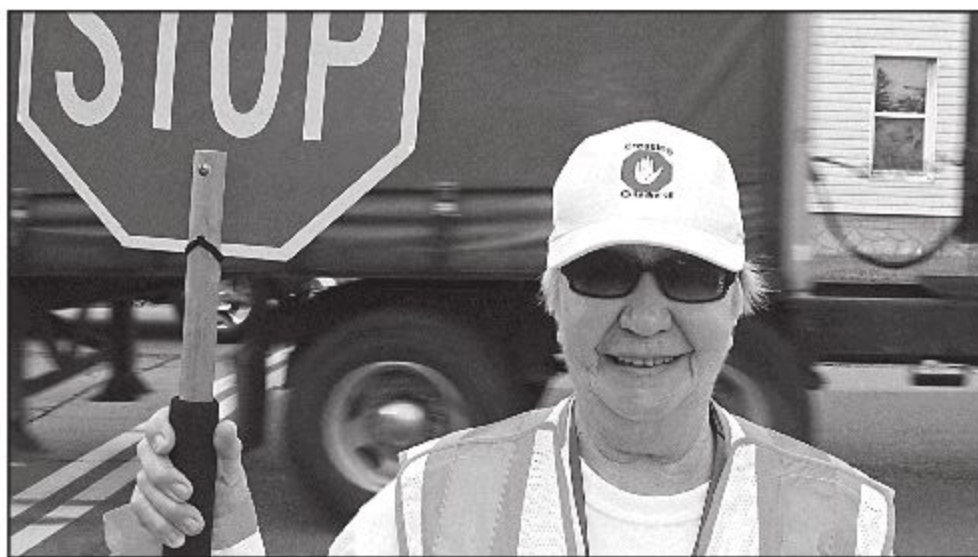

at the school is to the kindergarten outdoor play space. It's been revamped with a more natural and environmental look, featuring log stepping stones and a bridge.

New at Limehouse PS

Gabriela Echeverria is the new principal at the school. To accommodate the start of full-day kindergarten this fall, a wall was knocked down to begin renovations.
