### **OPP** reminds hunters of rules

Hunting season is here in Wellington County and Wellington County Ontario Provincial Police (OPP) and the Ministry of Natural Resources and Forestry (MNRF) would like to remind hunters to be safe and responsible. Be aware that you may be sharing the forest with other hunters, as well as hikers, riders and birdwatchers.

OPP officers throughout the province will be working with the MNRF Conservation Officers during the hunting season.

Here are some things to consider when planning your day;

#### Licencing

Ensure that you have the appropriate hunting licences for the game that you will be hunting for. It is your responsibility to know the game possession limits for your hunting area, as well as the hunting season dates for your wildlife management area.

Check your Firearms Licence (Possession / Acquisition or Possession Only) to make sure that they are current. You must have a current licence to carry a firearm and have it with you.

Hunt only where you are permitted and stay off private property unless you have permission from the land owner.

#### Proper Dress and Being Prepared

All hunters must wear solid hunter orange clothing (a minimum of 400 square inches or 2,580 square centimetres above the waist) and a hunter orange head cover during gun seasons for deer, moose and elk. This also applies to bear hunters who are not hunting from a tree stand. This does not apply to persons who are hunting migratory game birds, except woodcock.

Dress for the weather and wear

proper footwear.

Tell someone where you will be hunting and when you expect to be back. Take a cell phone with you if possible. When walking, let someone know where you will park your vehicle. If you become lost or injured, this will assist searchers in locating you and stay put.

Be prepared. Pack items such as water, snacks, matches, a first aid kit, map, compass, knife, flashlight and perhaps extra gloves/socks and a wind breaker. A GPS is always a good idea and a map.

#### Firearm Safety

Handle firearms with care and attention at all times.

Hunters must never shoot unless they are absolutely sure of their target and what lies beyond it.

It is illegal to shoot from a vehicle or carry a loaded firearm in or on a vehicle.

Alcohol / drugs and hunting do not

When using an Off Road Vehicle or ATV, it is your responsibility to abide by the relevant legislation pertaining to its operation and the carrying of a firearm while travelling.

Hunter safety is everyone's responsibility. The OPP and the MNRF encourages all Wellington residents to practice safe and ethical hunting practices when using Ontario's forests. For more information about hunting regulations refer to the Hunting Regulations Summary or contact your local MNRF office.

Hunters are reminded to know and follow the rules. Consult the Ontario hunting Regulations Summary available at ontario.ca/hunting.

If you witness a hunting violation, call 1-877-TIPS-MNR (847-7667) or call Crime Stoppers anonymously at 1-800-222-TIPS (8477).
