Mustangs rule

McKenzie-Smith Bennett School sent 10 of its special needs Athletes to participate in the Special Athletes' Track Meet in Burlington last Friday. This event gave students with physical and/or cognitive disabilities the opportunity to participate in track and field events. MSB was also proud to send 11 student ambassadors who acted as coaches to the special athletes.

There were a lot of good moments at the track meet in-

cluding a first-place finish for Ben McDonald in the 100-m and a second-place finish for Austin Daleman in the 100-m. The excitement continued as MSB's life skills students entered a boys and girls team into the relay race.

Students learned the importance of participation, good teamwork and always trying your best. The teacher, educational assistant and parental support at the track meet from the MSB community was truly

wonderful, and the most heart-warming support came from the student ambassadors who were an incredible support whether they cheered them on the sidelines or ran with them through the finish line.

It was powerful for these student ambassadors to see their Special Athlete peers succeed and be extremely proud of their accomplishments. More than one student ambassador ended the day by saying that it was a life changing experience.
