Last week, for the fourth time in a year, vandals attacked Molly the Moose, a life-size wood, plaster and foam moose mascot of Sweet Molly's.  
If/when caught, what punishment should the vandals, who wrecked Molly, face?

**John Burgess, Acton**

"It depends on how old they are. Maybe (they should serve) community hours, helping the community somewhere. There must be a dirty old area of Acton that needs work, and they should have to clean it up."

**Clint Turriff, Acton**

"They should charge them – hard, so they don't do it again. I'm sure these guys have done it before. Maybe it's the same people and they should not get off easy for their stupid acts."

"I think they should have to help repair it or rebuild it, and I think they should have to come out and help raise money for various charities – I think that would be appropriate. If they are older, then they need something a little more severe, as well as community work."
