Introducing Miss Acton Fall Fair

Acton's Jordan Lenz, a 16-year-old, Grade 12 student at Acton High School was crowned Miss Acton on Friday night at a celebration marking the 50th anniversary of the pageant at the 100th anniversary of the Acton Fall Fair. Here she says she values honesty, above all.

What is your idea of perfect happiness? Perfect happiness for me, would be knowing that I have followed my dreams, pursued my passions, and stayed true to myself while doing so. To know that I haven't let any opportunities pass, and that I have given back as much as possible to the people and town who raised me, because without their support I don't know where I would be today.

What is your greatest fear? I am terrified of heights.
What trait do you like most about yourself? I feel as though I understand my own morals and values; which helps keep me grounded and humbled through any opportunities that arise in my life.

What trait do you like least in others? I believe everybody has a right to feel confident with themselves, and proud of what they have accomplished. However, when these are taken too far, arrogance tends to surface, and

that is definitely one trait I avoid.
What do you most value in friends? Honesty; if you can be honest with me even when you may be concerned about the outcome, I really respect that, and would definitely appreciate that more than being lied to.

Who are your favourite writers? I love reading, so as you may be able to imagine, my room is absolutely filled with books. This means that picking a favourite, or even a few favourites, really is not an easy task. However, I will say that I have recently found that I love any novel by John Green.

Do you have a hero/heroes? I don't have one specific hero, but rather many people that I look up to; so many that I could never name them all. In my mind, anyone who has pursued their dreams, has kept their values close to them, and is happy with their life, is someone to look up to.

Which talent would you most like to have? I would love to be able to play guitar! I can strum a few chords and sing along if I get enough practice with a certain pattern; but my focus has been on playing the flute, for the past six years.
